Stewardship Reflections

Our readings this week speak to each of our domestic churches – the little churches that we call our families. They bring us back to the very beginning of time and call us to restore what God had intended for each of us.

As Genesis reminds us, God created woman as a partner for man and He desires that they become unified. It is in this union of marriage that man and woman work together to bring their family to Heaven. This is the mission that our families must be united in. We must ask ourselves, how are we living out that mission? It should be the very heart and soul of our families.

As we think about our families this week – whether it be a single household or a family of 10 – let us find small ways in which we can live out our mission to bring our families to heaven.
